Dr Claudia Iftode
President of Timis Society of Family Medicine
Chair of the Organizing Committee

Dear Dr Claudia Iftode,

I understand that the First Western Regional Conference of Family Medicine is about to start in conjunction with the 80th EGPRN meeting.

I hope that both activities succeed in attracting colleagues to discuss and learn on the many aspects of our profession. Furthermore I hope that this internal participation will also lead to participation of your colleagues in International/ European activities like the WONCA Europe Conference in Istanbul later this year.

I wish you a very successful conference.

Kind regards,

Prof Job FM Metsemakers
President WONCA Europe
